

HERE'S the POINT

By SPENCE HELD

Point Loma High School observed its first Barefoot Day last Friday.

This concession was granted by the administration on condition the students keep the campus clean during the previous week.

Some of the boys showed up Friday with shoelaces painted on their feet, and one had a red "sock" on one foot and green on the other. Polka-dot effects also were observed.

Another boy sported hair glued to his toes.

All this was accepted in a spirit of good clean fun. However, the authorities balked at the boy who came to school with his britches at half-mast, so to speak, and a ring painted on his midriff. He was sent home.

The girls were garbed in pedal pushers and whatnot. Many wore shoes to school and then took them off when they made sure it was the prevailing style.

Yeah, the teachers wore shoes—or open-toed sandals. One male teacher came equipped with a supply of athlete's-foot powder, just in case.

My spies reported the halls were unusually quiet that day. (Barefoot boys make little noise; barefoot girls don't seem to rhyme with anything.)

I saw that so-called comedy, "Life of the Party"—the Point Loma High senior play—Friday night, and didn't laugh much.

The reason: It was too realistic.

The play dramatized the hilarious plight of a father with a social-climbing wife and a passel of boy-crazy daughters, caught in the middle of a rowdy party that disturbed the neighbors and brought a gendarme to the scene.

Bob Imlay was excellent as the futile father. Others who played their parts well included Lyn Littleton, Bob Sakellariou, Betty Dawson, Mary Stivers, Catherine Schultz, Jeanine Stalard, Gary Helming and Roy Kennedy.

The audience enjoyed it, judging by the uproarious laughter.

LITTLE LEAGUE

Saturday the league leaders Kiwanis and De Falco's fought to a 4-2 Kiwanis victory in the game of the week.

A pitching duel between Garry Rucker and Bruce Kehrl was broken up with a 4 run rally by Kiwanis in the 5th with hits by Dennis Wilson, Steve Curtis, Mickey Burkholder, Lynn Kemp, Bruce Kehrl, and Clyde Campbell. Tom Gable and John Wenz got the key hits for De Falco's. Garry struck out 9 and Bruce 6.

Friday De Falco's defeated Rotary 8 to 4. Tommy Gables got 3 for 3. David Rebelo was winning pitcher. The "Mighty Midget," Chuck Edwards, stole the show for Rotary with a sensational catch at short and drove in the first 2 runs with a double to right. Joe Soares, Sweek, and Weyer were batteries.

Wednesday Kiwanis beat Optimist 8 to 6 with a sparkling relief performance by Steve Curtis of Kiwanis in the 4th. Both teams garnered 8 hits. Dick Conklin 3 for 4 and Timmy Faris 2 for 4, were hitting stars for Optimist. Clyde Campbell got 2 for 4 for Kiwanis. Larry Perera and Faris were batteries for Optimist, with Wilson, Curtis and Kemp for Kiwanis.

G. A. Tasch Honored By Calif. K. of C.

"Song of the Knight," written by George A. Tasch, of 1540 Chatsworth Blvd., was accepted as the official state song of the Knights of Columbus at the closing sessions of their convention at U. S. Grant Hotel Sunday.

Tasch wrote both words and music of the song. The convention adopted a resolution instructing California delegates to the Supreme Convention at Detroit in August to submit a resolution asking that the tune be accepted as the national song of the Knights of Columbus.

Fast Boats To Compete At Mission Bay June 3

San Diego's fastest outboard and inboard power boat drivers from the Pacific Power Boat Club will participate in the first annual Mission Bay Day festivities, scheduled for Sunday, June 3.

Mission Bay Day was officially designated recently to acquaint the public with the recreational opportunities of the Bay area itself. Mayor Dail has invited the general public to visit Mission Bay and enjoy the varied program planned for the day.

At least eight inboard and eight outboard racing craft will see action in the racing boat demonstration, attaining speeds up to 100 miles per hour in a thrilling display of "organized mayhem," according to Robert Higgins, board member-at-large of the club. Pit facilities will be provided in Ventura Cove where the public can inspect the boats prior to demonstration runs.

Rear Commodore Dr. William Schiefer will describe the racing event over the public address system, according to Commodore

Jack Corner.

The Pacific Power Boat Club, first organized in 1927 by Alonzo Jessop, was known as the San Diego Power Boat Club until five years ago. Its 40 members use the flood control channel regularly as a racing course. It is one of the many organizations participating in Mission Bay Day.

The Mission Bay Yacht Club will stage a 100-boat sailing regatta, while the San Diego Angling and Casting Club has planned a plug and fly casting competition open to the public without charge at Mission Bay Model Yacht Basin. Prizes will include rods, reels, line and lures.

A precision boat drill team from the Coast Guard Auxiliary Speedboat Flotilla 18 will perform, while top bowmen from the San Diego Archery Association will stage a demonstration of bow-and-arrow skill. A 17-act water ski circus has been organized by the San Diego Speedboat Club. The all-women's Zlac Rowing Club has picked two crews to row 8-oar barges.

O. B. Storm Drain Project Started

Sidewalk superintendents had field days in Ocean Beach this week as mechanical monsters ripped up a section of pavement along Newport Ave. in a storm drain project.

Starting at Bacon St., on the south side of Newport, the work proceeded through the business district to Sunset Cliffs Blvd. After removal of pavement, dirt was filled in temporarily to keep interference with auto parking at a minimum.

The storm drain project will extend southward for a block on both Cable and Sunset Cliffs, it was reported. Concrete pipe will be installed.

The work is being done for the City under private contract.

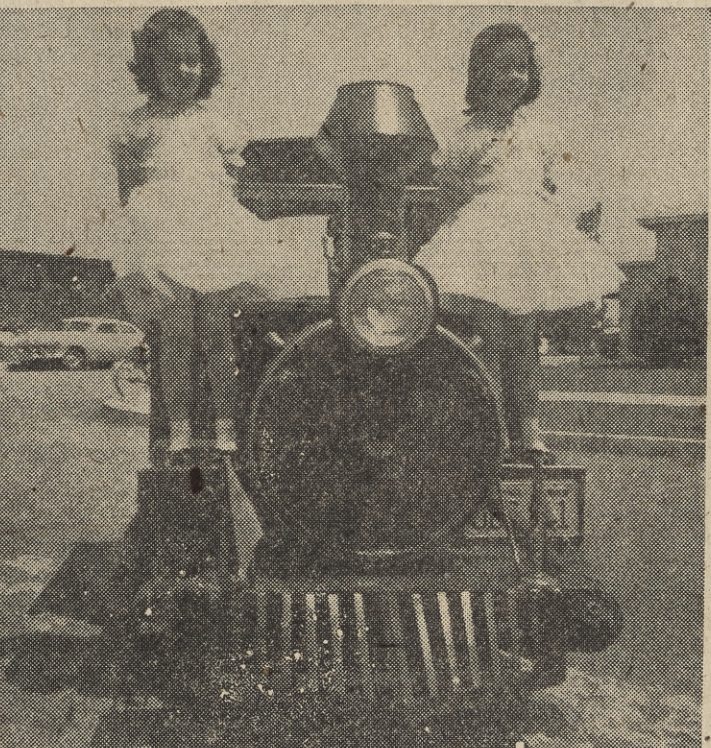

First Qualifying Period Of Derby To End Saturday

Deep sea anglers will ring down the curtain on the first of three qualifying periods of the 10th annual \$25,000 San Diego Yellowtail Derby here Saturday, and the top 150 fishermen will square off in the first fish-off the following Friday, June 1.

Conditions at the Coronado Islands were improving rapidly early this week, giving promise of a last minute flurry at the official derby scales. As matters now stand, it appears that a fish of 23 pounds or slightly over will qualify for the first fishoff.

Derby pace setters for the Point Loma contingent are Harold Hanson, 1730 Rosecrans, with a 29 pound 11 ounce yellow and Sally Von Natto, 4015 Tennyson, with a 26-12.

The San Diego sportfishing fleet was split between the La Jolla kelp beds and the Islands last weekend and all-around catches were good although the yellowtail action was slow. For example, the Saturday catch included: 3 yellowtail, 31 white sea bass, 440 calico bass, 443 barracuda, 241 bonito, 16 halibut, 289 ling cod, and 1656 red rock cod.

PARADE ENTRY—This engine has been entered in the Memorial Day parade in Pacific Beach by the Purcell Rug Farm, 4234 Voltaire St. Enjoying the ride are the 7-year-old twin daughters, Marlene and Christine, of Mr. and Mrs. A. M. Mucci, 4284 Coronado Ave.

Opera Workshop To Present 'The Abduction'

Mozart's "The Abduction from the Seraglio" will be the next major production of the Opera Workshop of Cal Western University, to be performed Friday and Saturday, June 22 and 23, at Dana Junior High School. Dr. Walter Teutsch is director.

The story of the opera is one of love and intrigue, of sleeping potions and plans for abductions. The scenes take place in Turkey, in the days of Pashas, harlems and slaves.

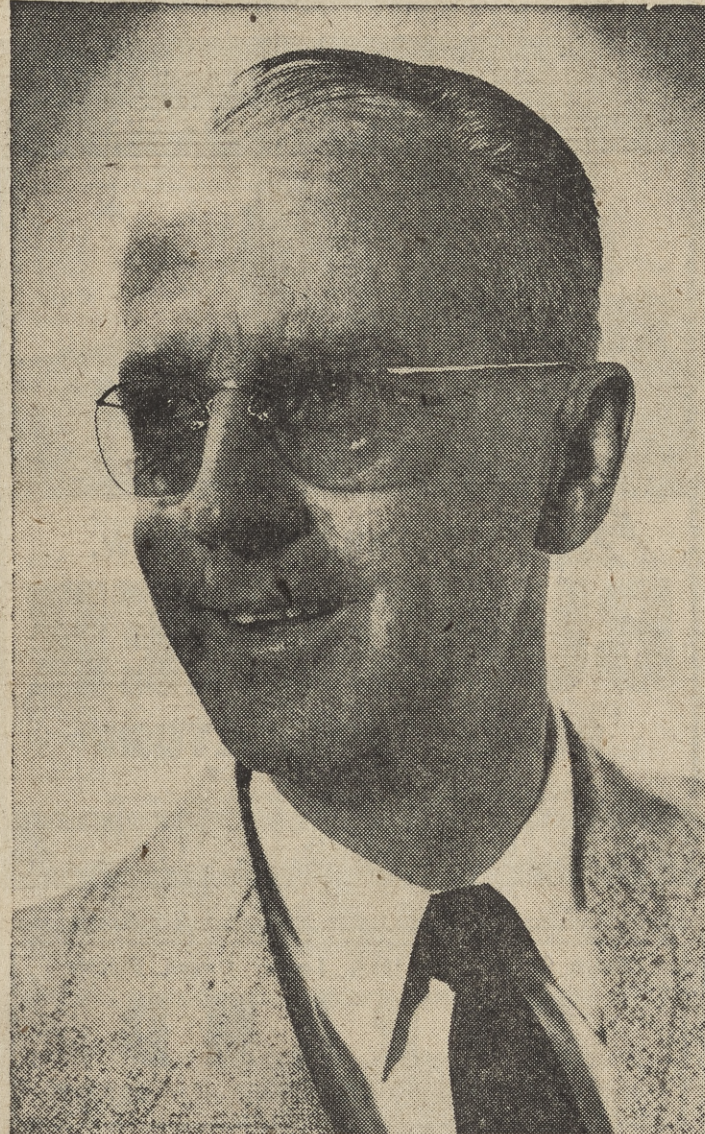

Casting for the title roles has been completed, according to Dr. Teutsch, and some of San Diego's finest singers will appear in the opera. "There are, however, some openings for members of the chorus which will consist of the Pasha's entourage—his wives and soldiers. Anyone interested should contact me at the university to make an appointment for a tryout," he stated.

Loma Council PTA To Install Friday

Fiesta del Pacifico has inspired the early California theme for the installation luncheon of Loma Council PTA, to be held Friday, May 25, at 12 noon, at Madeline's Dining Room, 2930 Fenelon St.

Mrs. Paul R. Willoughby, Jr., will be installed as president. Other officers to be seated are: Mrs. Elizabeth Muirheid, vice-president; Mrs. Morton Rosenbaum, secretary; Mrs. Merle Schwartz, treasurer; Mrs. Charles Mann, auditor; Mrs. Harold C. Smith, parliamentarian.

Mrs. L. N. Schowengerdt is installing officer. Miss Mary Jane McIntyre will continue as administrator's representative. The program, under the chairmanship of Mrs. G. T. Gerrodette, will include the string quartette from Dana Junior High School.

Bob Imlay Stars As Pointers Win

Bob Imlay, who starred in the senior play last week, turned in an almost-perfect pitching performance for Point Loma High on the baseball diamond Tuesday.

He threw a 1-hitter at Sweetwater High to lead the Point-

ers into the second round of the SCIF playoffs. Point Loma won, 2-0, with Imlay getting two hits himself and driving in a run.

The Lomans are scheduled to play Newport Harbor High Friday at 3 p.m. at the Huntington Beach High field in the second round of the playoffs.

2 LOMANS WIN SCHOLARSHIPS

Two Point Loma High school student leaders, Richard M. Sullivan and Frederic J. Schroeder, have joined the growing list of Pointer seniors who have won scholarship honors this spring. Both have been awarded scholarships to top-ranking eastern universities.

Sullivan has won designation as a Memorial Scholar at Colgate University, where he plans to study medicine. Only 26 such honorary awards are given at Colgate each year, and they represent the highest honor entering freshmen can achieve. The Colgate Alumni scholarships which accompany the Memorial Scholar awards vary according to need.

The son of Mr. and Mrs. Rob-

ert J. Sullivan, 589 Gage Lane, young Sullivan is commissioner of general affairs (student body president) at Point Loma. He also has served as president of the Pointer Hi-Y and as commissioner of boys' activities, and he is a California Scholarship Federation member.

Young Schroeder has been named winner of a Proctor and Gamble tuition scholarship to Dartmouth College, where he will study civil engineering. He is the son of Mr. and Mrs. T. R. Schroeder, 405 Rosecrans St.

At Point Loma he is a life member of the California Scholarship Federation, is Key Club president, and was junior class president last year. He was a delegate to California Boys' State in 1955.

Buddy Poppy Sale Set Fri. & Sat.

That bright little red flower the V.F.W. Buddy Poppy, will be sold in Ocean Beach and Point Loma Friday and Saturday, May 25-26, by members of the Auxiliary to Post 2415, Veterans of Foreign Wars, according to O. R. Knauer, post commander.

This is an annual sale conducted by the V.F.W. throughout the U. S. as a memorial to the nation's war dead. All of the money collected goes to help needy and disabled veterans and their widows and orphans, Knauer said.

Frank Gibson Says Tax Cut Possible

Approval of the preliminary County budget with the same tax rate as last year brought this prediction from County Supervisor Frank A. Gibson, a candidate for re-election.

"There's a possibility of a decrease in the County tax rate when the public hearings are completed next month. The Board has held to its policy of keeping a close rein on County fiscal matters, and has been able to offset some increases with equalizing decreases.

"Recent industrial developments" indicate there will be increased demands for County services in unincorporated areas near San Diego. The Board is keeping in close touch with these various developments to insure that the necessary essentials will be provided, when needed, at an acceptable level and at minimum cost to the taxpayers."

Six Candidates To Speak Here Next Thursday

Candidates for 78th District Assemblyman and 1st District County Supervisor will speak at a political meeting arranged by the Ocean Beach Chamber of Commerce for next Thursday, May 31 at 7:30 p.m. in the O. B. Community Center.

Bill Knopp, Chamber president, will preside, according to John Pierce, secretary.

Pierce reported the following candidates have accepted invitations to speak: Assemblyman Frank Luckel and Councilman Clair W. Burgener, Republicans, and Tom Sherrard and Robert L. Stevenson, Democratic candidates for the Assembly; and Supervisor Frank A. Gibson and John B. Ogden, candidates for the Board of Supervisors. Robert A. Estes, the other Republican candidate for the Assembly, also has been invited.

John McGhee, Mission Bay Park director, will show a film and speak on the park development.

Slogan Contest

Mrs. I. Brodie, of 4627 Osprey St., was last week's winner in the Peninsula News Booster Slogan Contest. Turn to Page 7 for her winning slogan and details of the weekly contest.

Meanwhile, Bernice Ball, of 4753 Muir Ave., a previous winner, wrote the following note to this newspaper:

"Winning the Booster Slogan Contest was a real windfall, and what a topic for conversation and good advertisement!"

"Reports from winners, satisfied with values received, help one appreciate our fine shopping center."

Woman, 58, Drowns In Surf Off O. B.

Mrs. Helen Coburn, 58, of Maywood, Ill., was drowned off Ocean Beach Sunday after an outboard motorboat capsized in the surf.

Her husband, James Coburn, 59, was rescued by a Coast Guard helicopter and treated at County Hospital for shock and exposure.

Results of an autopsy performed at Beardsley Funeral Home showed that Mrs. Coburn died of drowning, not a heart attack, according to Jesse Canale, chief deputy coroner. The body will be sent to Illinois for funeral services there.

Mrs. Coburn's mother, Mrs. Mildred White, 77, resides at 1605 Ocean Front.

Taxpayers' Ass'n. O.K.'s Auditorium

Endorsement of the Civic Auditorium proposition by the San Diego Taxpayers' Association was hailed this week by Judge E. A. Luce, co-chairman of the Greater San Diego Auditorium Committee, as "proof that the auditorium program is soundly conceived and planned."

Passage of Proposition "A" on the June 5 ballot, he said, will authorize an \$8,500,000 bond issue to build a central civic auditorium that would include a convention hall, concert hall, sports arena and little theatre.

The Taxpayers' Association's recommendation for a "Yes" vote on Proposition "A," Luce said, came after a thorough study and analysis.

S. D. Voters Hold Key To Bay Park Project

Three city leaders intimately concerned with the development of Mission Bay Park toured the area yesterday to examine its facilities and discuss its past, present and future.

And all three—Mayor Charles C. Dail, City Manager O. W. Campbell and George A. Scott, president of the Mission Bay Park Commission—agreed that San Diego voters hold the key to completion of the half-finished project.

That key is Proposition B which is on the city election ballot Tuesday, June 5. It authorizes the issuance of \$5 million in general obligation bonds to continue improvement of Mission Bay Park.

The City Council approved the bond issue last Feb. 9, but city voters must confirm by a two-thirds majority.

The three officials were in accord that completion of the 4,000-acre aquatic park will provide San Diego with one of the world's greatest recreational areas that will help stabilize the city's economy by attracting tourists, providing jobs and increasing property values.

Speaking of present benefits to San Diegans, Scott pointed out that even though the park is only half completed it already is a year-round attraction for tens of thousands of its citizens. He said that on any pleasant Sunday during the summer upwards of 35,000 people take advantage of the park's present limited facilities; that even on week days other thousands are visitors.

Mayor Dail said it was not hard to understand the park's popularity, citing the many free attractions that enable an individual or an entire family to spend a relaxing day on land or water without spending a penny.

During their tour of Mission Bay Park the three officials visited major spots to be developed with the proposed bond funds, things the public can see and use free, such as:

The 50-acre playground adjacent to Ocean Beach.

The separate camping areas for organized boys and girls groups in the south central section of Mission Bay.

Fortuna Cove in the north central bay section where parking, roads, piers, ramps, landscaping and other facilities will be installed.

PLAN FAMILY FISHING DERBY ON MISSION BAY DAY JUNE 3

A fishing derby for the entire family, open to men, women and children, will be held on Mission Bay Day, June 3, Paul Hartley, co-chairman of the first annual celebration, has announced.

The fishing competition, which will run from 6 a.m. until 5 p.m. on June 3 only, is being co-sponsored by Dana Landing and Mission Bay Sport Fishing. Judges are Bill Litton and Garrick O'Bryan who will maintain weigh-in stations at both locations so that fishermen can check in their catches quickly.

All fish must be caught in Mission Bay during the time specified.

No registration is required, and no entry fee will be charged, according to Hartley. "We want everybody with a rod, reel, line and a bent pin to come out on Mission Bay Day and pull in the biggest fish they ever dreamed of."

Prizes will be given in four classes of fish common to Mission Bay: halibut, sea trout, croaker and spotted sand bass. Rods, reels, lines and free fishing trips aboard sportfishing boats are on the prize lists. In addition to first and second place winners in each category, there will be special prizes for other fish weighed in, including sting ray and shark. There will be special prizes to the youngest and oldest fishermen.

Proposition 'W' Wins Favor Here

Local groups working for approval of Proposition "W" at the election June 5 report widespread support of the measure, according to Fred A. Heilbron, chairman of the San Diego County Citizens Committee which is directing the campaign.

"Endorsements of water and irrigation districts, government bodies, civic and other groups are beginning to roll in," Heilbron said.

"Community chairman report sentiment is running strong for Proposition 'W' with no opposition developing. This is because passage of the measure will hasten completion of the Metropolitan Water District's Colorado River Aqueduct to its full delivery capacity, and that means the full supply from this source will be available earlier than originally planned."

"Important is the fact that the aqueduct project will be financed by \$50,000,000 in short-term notes guaranteed by more than \$170,000,000 in assured receivable assessments due the District. Therefore, no tax increase is involved."

P. L. FRIENDSHIP GIRLS TO STAGE FASHION SHOW

The Point Loma Friendship Girls of the San Diego Jewish Community Center are presenting a Fashion Show for girls, ages 9-13, on Tuesday, May 29, from 7:30 to 9 p.m.

The show will take place at the Point Loma Assembly at 3035 Talbot Street. The clothes to be shown include swim suits, sports clothes, informal dresses and graduation dresses. Admission is 10c for children and 20c for adults. Refreshments will be served and everyone interested is invited.

INTERIOR—This shot shows the completely remodeled and enlarged Marc's men's wear store at 4919 Newport Ave. The formal opening last week was highly successful, with hundreds of visitors inspecting the store. A rear entrance has been added for the convenience of shoppers.

Candidates Speak Tonight At School

Peninsula residents will have an opportunity to hear and question candidates in the June primary election at a meeting sponsored by the San Diego League of Women Voters, to be held Thursday (tonight), May 24, 7:30 p.m., at Andrew Jackson School.

After the candidates have given their opinions on specific topics submitted by the League, the meeting will be thrown open for general questions.

Further information or transportation to the meeting may be obtained by calling AC-3-6805 or AC-2-1027.

The average cost of a prescription is just about the charge for a good meal. This is a tribute to the pharmaceutical industry that spends millions on research yet keeps ultimate costs so low.

SMILE SHOW, TOO

The Adult Education Clothing and Millinery Classes put on a demonstration and style show at the San Diego Woman's Club house May 9, when students in

The gleams were in the eyes of the student-seamstresses whose garments and hats showed style, skill and good taste. They had a right to be proud.

Mrs. Thomas Marks, 3322 Du-mas, modeled her slim grey coat, with its extraordinary back in-terest: a complete row of gath-ers below the torso line. One of the outstanding sheath dress-es was a beige number, made and worn by Mrs. William Kup-lik, of 3747 Charles St. With it she wore all beige accessories, with a touch of orange on her hat.

Mrs. Chester Green, 979 Har-bor View Drive, modeled her lav-ender morning frock, with its tucked pockets set high. The sari dress that Mrs. Monroe Jones modeled was made from the material she received from India. The authentic sari dress-es, we understand, are just straight pieces of material that the Indian women cleverly wrap around themselves. However, Mrs. Jones stitched her creation.

Marilyn Jones, her lovely teen-age daughter, modeled a blue jumper and white blouse that

"Mother made." Mrs. Jean F. DuPaul (3317 Freeman St.) wore her eye-catching, ballerina-length evening frock of white cotton-satin. The yellow flowers on one shoulder strap were scat-tered down and across her full skirt.

"That favorite little black number," peau de soie in a long torso line, was made and modeled by chic Mrs. A. C. Foto, 4045 Narragansett.

"The only male in the show was young Robert Heckman," said Mrs. Willis Pflugh, one of the instructors. "He modeled a tailored sport jacket made bby his grandmother, Mrs. I. J. Heck-man, of 3324 Harbor View Drive."

Mrs. Douglas Giddings, 3025 Qualtrough St., a member of the millinery class, modeled her pix-

ie cloche of navy straw, which she trimmed with a band of pink flowers.

ONE YEAR

In this day and age of mass production, comes now the mass birthday party. These young-sters' mamas got together and threw one big party to cele-brate their first year on earth: Donald Cole, son of Mr. and Mrs. Wallace Cole, of 4943 Cape May; Chipper Caldwell, son of Mr. and Mrs. Thomas Caldwell, of 2174 Sunset Cliffs Blvd.

Also, Karen Renee Thomas, daughter of Mr. and Mrs. Mel-vin Thomas, of 2176 Sunset Cliffs Blvd.; Patricia Lee Sloper, daughter of Mr. and Mrs. Don-ald K. Sloper, of 4824 Muir Ave.; and Kristy Kay Lenitt, daughter of Mr. and Mrs. Jack Lenitt, of

Allied Gardens. The party was held May 17 in the Coles' home.

WHAT'S DOING

J. L. Webb, your Telephone Manager in San Diego

Mrs. Frances Hanson, Pacific Telephone's San Diego Plant Office Supervisor, makes final payment of 1955-56 property taxes to Wilbur Easton, San Diego County Tax Collector.

What makes a company a good citizen?

We, at the Telephone Company, often ask ourselves what makes a good citizen because both as men and women and as a Company we want to be the best citizens we can. A good citizen pays taxes, of course. And, naturally the Telephone Company does this, paying property taxes of \$1,924,600 last year in this county alone. As you know, this money comes from the telephone bills you pay. And the tax dollars we pay are dollars that contribute a substantial amount to good government in the community. But we believe it's not enough just to be a taxpayer. So we try to do our part in the community in other ways. We think it is important to take part in the activities of the Community Chest, the Red Cross, the Boy and Girl Scouts and other community affairs. Fact is, we believe the ways of being a good citizen are unlimited and we're anxious to do our part.

Wish them well—by long distance

A wedding is one of the most important events in their lives. And a long distance call, wishing them well as they step out together, will make them feel extra good. For occasions like this or when you just want to take a few minutes to say hello to someone special, long distance is the warm and close way. Why not look in your directory and see how very little it costs to call someone very dear to you.

How to go shopping in your armchair

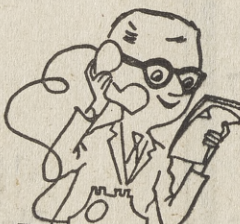

It's easy when you use the Yellow Pages. No matter what you want, be it a new furnace or just a can of paint, you'll find who sells it and you'll find them fast by looking in the Yellow Pages. The classified part of your telephone book comes in handy, too, when you'd like to shop around a little, get prices without leaving your house. Yellow Pages are a good guide to good shopping. Use them

BENEFITS from a CIVIC AUDITORIUM

Combining Public Assembly Facilities

- ★ . . . because a multi-purpose center accommodating conventions, sports events, Broadway theatrical productions, concerts, operas and trade shows, will put several million dollars of new money into local circulation every year;
- ★ . . . because this is 100% profit money earned elsewhere and spent here;
- ★ . . . because construction of a Civic Auditorium will create hundreds of jobs, and assure continuing jobs thereafter;
- ★ . . . because public assembly facilities grouped in an Auditorium mean lower operation and maintenance costs, hence mean more money for the City Treasury;
- ★ . . . because an Auditorium brings in thousands of visitors who pay sales taxes—to our benefit;
- ★ . . . because with an Auditorium, San Diego will be able to entertain the large state and national conventions, and accompanying trade shows.

Vote **YES** on Proposition "A"

The need for an Auditorium has been recognized during the years, but there were divergent views on location, type of structure, and cost. These points have now been eliminated . . . ahead of us is the opportunity for a united community to transform a dream into a reality. Other cities, many smaller than San Diego, operate Auditoriums profitably. We can, too, by voting YES on Proposition "A" in the election June 5.
